Students' network services

Orientation for new exchange students, autumn 2021

Students' everyday network services

You can log in to all the students' network/ online services with your uniarts ID. Foreign students will receive their user IDs in the beginning of studies from the student services.

List of the most important network services

Intro -> Facilities and systems -> Student web services

<https://intro.uniarts.fi/en/facilities#Student%20web%20services>

You can access all the online service via the intranet Artsi (choose "Tools"):

<https://artsi.uniarts.fi/en>

Artsi

- **Uniarts Helsinki's intranet**
- **Includes important information for the students on studying in the Uniarts Helsinki**
- **also important news and events**
- **new intranet will be published in 2021-2022**

Peppi

In Peppi you can find all the most important tools and services for planning your studies:

Study planning

- [study guide](#) (curricula, descriptions of study units and information on the course units)
- personal study plan (PSP)
- course registrations
- [scheduling tool](#)
- important dates and schedules of the academic year
- registration for the academic year
- personal data, contacts and study rights
- information on the individual tuition
- **Study credits**
 - credits
 - credit transfer
 - agreements
 - exams
- **Applications and forms**
- **Graduating**
- **Booking of facilities**

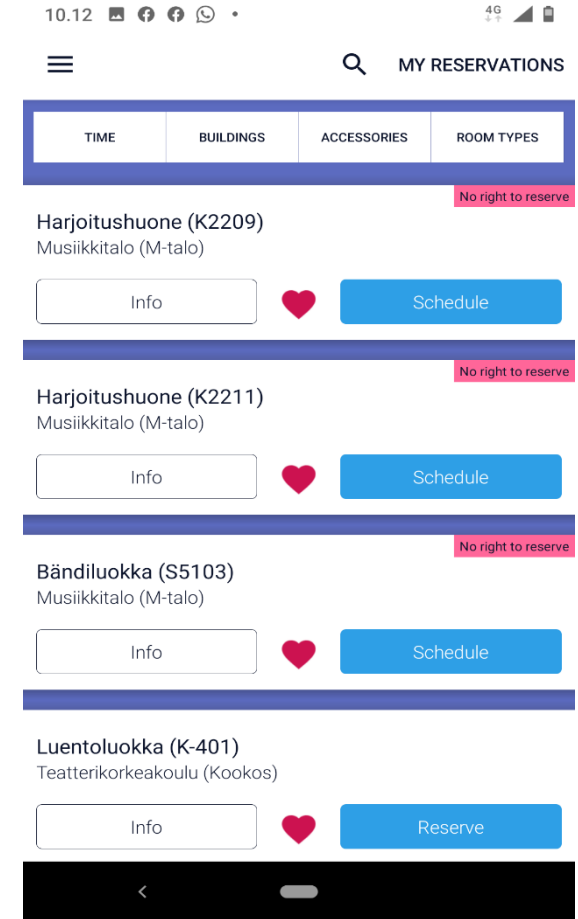

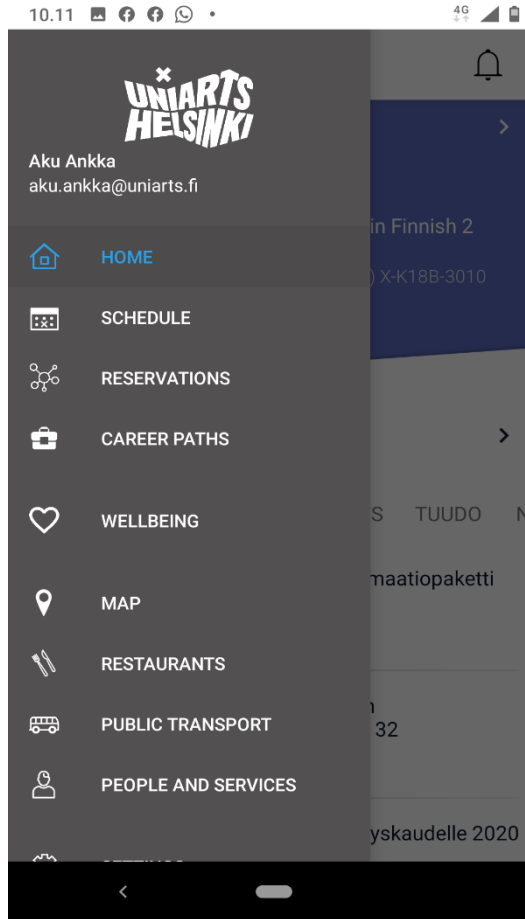

Tuudo

Tuudo is a mobile app, you can upload for free from an application store (AppStore/ Google Play).

Tuudo informs you of the important messages and schedules by using the push notifications. **Allow the push notifications when you upload the application.**

- **Student ID**
 - digital ID, which you use to prove your student status e.g. in the student restaurants and for HSL public transport and VR.
- **Studies**
 - ongoing and upcoming courses
 - course search
 - course registration
 - credits
- **Timetable**
 - your reservations
 - courses, you have registered for
- **Booking of facilities**
- **Student's wellbeing**
 - information on the wellbeing services available for Uniarts students
- **Course feedback**
 - new service, which will be launched during the autumn term 2021
- **Library service**
 - new service, which will be launched in the beginning of the spring term 2022
- **Student restaurants**
 - menus of the student restaurants
