Data systems: Peppi, Artsi, Tuudo

Facilities bookings

# The first academic year of studies

- **Orientation period in August:** Make your personal study plan (PSP) with your coordinator and/ or teacher tutor, course enrolments, confirmed tuition, arrange individual tuition with your teachers
- **September:** Autumn semester tuition starts
- **November-December:** Last changes to the PSP concerning next semester if needed
- **January:** Spring semester tuition starts
- **March:** Meeting with your coordinator / teacher tutor, plan your studies for next academic year, update the PSP and send it for approval, course enrolments and individual tuition enrolments should be added in the updated PSP
- **End of April:** Tuition ends, entrance exams during May
- **June:** Confirmed tuition published in the register
- **May – August:** Remember to do the registration for the next academic year!

# After the first year of studies...

- **August:** Check the tuition confirmed to you and do the last changes if needed. Remember to update the changes to your PSP as well. Have you already done the registration for this academic year?
- **September:** Autumn semester tuition starts
- **November-December:** Last changes to the PSP concerning next semester if needed
- **January:** Spring semester tuition starts, (application time for exchange studies)
- **March:** Meeting with your coordinator / teacher tutor, plan your studies for next academic year, update the PSP and send it for approval, course enrolments and individual tuition enrolments should be added in the updated PSP
- **End of April:** Tuition ends, entrance exams during May
- **June:** Confirmed tuition published in the register
- **May – August:** Remember to do the registration for the next academic year!
